

### 1. APP QUICK START & INSTALLATION INSTRUCTIONS

Follow these 3 essential setup steps to use Chitrachaya on mobile and desktop devices:

- > **Step 1: Open Official URL** Visit <http://localhost:5173> (or official college portal) on Chrome, Safari, or Edge. Log in exclusively using your official @iiitkottayam.ac.in Google email.
- > **Step 2: Add to Home Screen (PWA)** Android/Desktop Chrome: Tap the 3-dot menu and select 'Install App' or 'Add to Home Screen'. On iOS Safari: Tap the Share button and select 'Add to Home Screen'. This installs Chitrachaya as a standalone mobile application.
- > **Step 3: Allow Push Notifications** When prompted upon first login, tap 'Allow Notifications'. This enables instant real-time alerts for event approvals, photographer assignments, coverage replacement requests, and IT camera status updates.

### 2. CLAIMING TICKETS & COVERAGE MANAGEMENT

- > **Event Pool** View all open tickets in the Event Pool. Click 'Tick to Claim (Photographer)' or 'Tick to Claim (Uploader)' to claim event coverage.
- > **Updating Progress** On assigned events, click 'Update Progress' to update pipeline status from 'In Progress' to 'Uploaded' and attach Google Drive media links.
- > **Task Replacement** If unavailable for an assigned event, click 'Replace' next to your badge. Select a club member to send a replacement request. Task transfers only take effect upon target member acceptance.

### 3. DIGITAL ID & IT CAMERA HANDOFF REQUESTS

- > **Request Camera (IT)** Restricted to Leads and SubLeads. Click 'Request Camera (IT)' at the top of the dashboard or on active event cards.
- > **Digital ID Generation** The modal automatically generates your official Chitrachaya Digital ID Pass containing your Name, @iiitkottayam.ac.in email, Roll ID, and Role Badge.
- > **Contact Numbers** Enter your Primary Phone Number and Fallback Lead Phone Number, then submit to IT Server Room.

### 4. TEAM DIRECTORY & ROLE MANAGEMENT

#### TEAM DIRECTORY & ELEVATION

Leads can open the 'Team Directory' from the header to view all members, search by name or roll number, and promote members to SubLead, Core, or IT Server Room Staff roles.
